appointmoor

Established in 1998, we're proud to be the only estate agency in the heart of Chalkwell.

From our early days we've expanded with the market and today we have a dedicated team of staff members, many of whom have been with us since the start. Our team are experts in all of the surrounding local areas.

Our growth and success lie in our open-minded approach; **we welcome any prospective client.**

Not only do we really know the sales market, but we're quietly confident that we hold the largest rental portfolio in the area and there is little we don't know about lettings, property and block management.

We've helped many investors find and establish rental property portfolios, and a high percentage of our clients have returned time and time again.

Whether you're a first-time client or more experienced investor, you can be assured that you'll really be listened to as the individual you are.

We do what we say we're going to do, and we do it well.

Selling with Appointmoor

Selling your home with us is simple. We're not about volume, gimmicks and unrealistic valuations. We believe in honest advice and achievable goals.

We know the local market, and are experts at providing accurate pricing on all types of property.

You'll have a dedicated agent throughout your sale, and a clear end to end service. We'll always work in your best interest, putting you at the centre of the sales process.

In the very unlikely event that we don't sell your property, **we offer a no sale no fee promise.**

“Our specialist team are highly experienced in every aspect of successful property sales – selling all types of property, from studio apartments to the ultimate luxury homes.”

Our simple sales process explained

At Appointmoor, we try to keep the process of selling your home as simple and successful as it should be.

We've identified the 6 stages of your sale where we really make the difference and make the magic happen. Don't worry if you find the whole idea of selling quite daunting – we'll be with you every step of the way.

>

Valuation & preparation

A member of our sales team will visit your property and discuss your goals and expectations. We'll get to know you and your property, and provide accurate advice on its market value.

We'll be honest from the outset and we'll work with you to set an achievable value, with our goal being the maximum realistic price for you.

>

Marketing

Once you're happy with the valuation and have given us the go ahead, we'll begin to work with you on marketing your property.

We'll take attractive photos of your property, focussing on its unique features. We'll immediately list your property on our popular website, as well as all major national property portals including Rightmove, Zoopla, Prime Location and On The Market.

We'll also feature your property at our Chalkwell office and regularly feature on our social media pages including Facebook, Instagram, Twitter and LinkedIn.

Finally, our recognisable sales boards will draw attention to your property. Our boards aren't noticed for our name though - we keep that small so that the focus is kept on your property.

>

Buyers

We have a wealth of experience in attracting quality buyers.

Our sales team strongly believe in the power of accompanied viewings, really inspiring buyers about your property - we notice the small things that can make a big difference.

We want our buyers to be happy so we take time to view the property thoroughly, ensuring they feel relaxed and at ease in their potential new home. We'll always feedback to you about potential buyers and keep you in the loop as we go.

>

Negotiations

Once the right buyer has connected to your property, our role comes into its own.

We bring all the pieces together to ensure that your sale moves forwards. We'll negotiate between you and the buyer, and work towards locking in a price. We're experts in ensuring that both buyer and seller are working within their budgets, so that no-one's time is wasted.

Our negotiations are overseen by a manager at every step and once an offer has been accepted, the really important part begins.

>

Completion

Solicitors may take over at this point, but our specialist sales progressor also keeps a very close check on your sale too.

They work hard to move your sale along quickly and effectively - keeping tabs on everyone involved and dealing with any issues if they arise.

We know that a steady, thorough approach means we'll get you to your goal - that all important completed sale.

>

Moving

Your property has sold and you're finally ready to move. Perhaps you're on your way to a new home, or your next adventure means you need to store your personal effects for a while.

Whatever your circumstances, Appointment can offer advice on tailored removal services and storage solutions. We think this is just as important as the rest of the sale – and we won't leave you high and dry just when you need a helping hand.

Mortgages

Our in-house, independent mortgage brokers are based in our Chalkwell office and offer bespoke mortgage products to our customers. Often having **exclusive deals for Appointment clients**, they will work with you as you begin your sale or purchase process with us.

Surveys

With over 20 years of experience our recommended Chartered Surveyors have the expertise and reputation for providing a valuable and comprehensive service which includes providing a homebuyer survey and valuation, building surveys, specialist valuation services and after-care for all clients.

- Advice on the best type of survey to suit your needs.
- Clarifying points once the survey has been carried out.

Tax advice & information*

Income tax

Several items of expenditure can be offset against rental profit, of which the following list covers the main tax-deductible areas.

If you require further information on this matter we would recommend that you seek the advice of an accountant, as tax status does vary.

- Letting agents fees
- Legal fees for lets of a year or less, or for renewing a lease for less than 50 years
- Accountants fees
- Buildings and contents insurance
- Interest on property loans (restricted)
- Maintenance and repairs to the property
- Utility bills, like gas, water and electricity
- Rent, ground rent & service charges
- Council tax
- Services you pay for, like cleaning or gardening
- Other direct costs of letting the property, like phone calls, stationery and advertising

Overseas landlord taxation

The Inland Revenue's (IR's) new assessment rule changed the treatment of Overseas Landlord Tax with effect from 6th April 1996.

Under the Taxation of Income from Landlord (Non-Residents) Regulations 1995, the rent-receiving agent is required to deduct basic tax rate from the rent (after taking deductible expenses into account), and to pay the tax to the IR each quarter. If you decide not to have your property managed by Appointment, you will be legally responsible for the collection and payment of tax to the IR.

However, overseas landlords can apply to the IR for exemption, providing their tax history is good and up to date. The landlord will be issued with a certificate, with a copy sent direct to our management department authorising us to pay rent without tax deductions. We strongly advise that applications for exemption are submitted as soon as you're aware of your move overseas, to ensure rent can be paid gross.

The IR's Landlord Tax Guide is available by contacting your local IR office. You can also call their Financial Intermediaries and Claims Office (FICO) on 03000 516 644.

Various other expenses directly relating to the letting

Communication with the Inland Revenue and Tax Returns are the responsibility of the landlord and/or their accountant. We do not withhold tax for landlords resident in the UK.
